**DEFENDANT-APPELLEE ARUBA NETWORKS, INC.'S
OPPOSITION TO MOTION TO STAY BRIEFING SCHEDULE**

For the reasons stated in Apple Computer Inc.'s opposition, Defendant-Appellee Aruba Networks, Inc. respectfully requests that this Court deny the motion by Plaintiff-Appellant Linex Technologies, Inc. to stay the briefing schedule in Linex's appeal of the district court's award of costs until after this Court's decision in the related principal appeals in *Linex v. Hewlett-Packard et al.*, Nos. 14-1561, -1624, -1625, -1626. Linex has not (and cannot meet) its burden of showing that a stay is warranted. Alternatively, Aruba requests that the Court order Linex to put up a bond or place funds in escrow sufficient to satisfy its obligations under the district court's May 20, 2014 and November 18, 2014 Orders. Like Apple, Aruba continues to bear the risk and uncertainty that it will never receive payment of costs even after succeeding on appeal.

Respectfully submitted,

Dated: January 29, 2015
